The screenshot shows the MobileTrans website interface. At the top left is the 'mobiletrans' logo. At the top right are navigation icons: a shopping cart, a user profile, a chat bubble, a menu, and window controls (minus, maximize, close). The main content area features three columns of service cards:

- WhatsApp Transfer:** Includes an icon of a truck and a smartphone. Text: "Backup, restore, and transfer WhatsApp data, also backup and restore LINE, Viber, Kik, and WeChat data." A dark blue button labeled "Transfer" is at the bottom.
- Phone Transfer:** Includes an icon of a laptop and two smartphones. Text: "Transfer data from one phone to phone, including images, videos, contacts, etc." A dark blue button labeled "Transfer" is at the bottom.
- Backup:** Includes an icon of a laptop. Text: "Backup phone data to your PC, including pictures, videos, contacts, etc." A blue button labeled "Backup" is at the bottom.
- Restore:** Includes an icon of a smartphone and a laptop. Text: "Restore MobileTrans local, and iTunes backup data to iOS or Android." A blue button labeled "Restore" is at the bottom.
